Subject: Intimation under Regulation 51(1) and (2) read with Schedule III (Part B) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

We wish to inform you that the members of the Company in their 33rd Annual General Meeting ("AGM") held on Monday, September 25, 2023 at 3:30 P.M. (IST) through Video Conferencing ("VC") / Other Audio-Visual Means ("OAVM") has approved the adoption of restated Articles of Association, in the place of existing Articles of Association ("AoA") of the Company.

The Articles of Association of the Company was primarily amended to add Article 71A after the existing Article 71 in Part-A of the Articles of Association as mentioned herein:

Article 71A - "The Board of Directors shall appoint the person nominated by the debenture trustee(s) in terms of clause (e) of regulation 15(1) of the SEBI (Debenture Trustees) Regulations, 1993 as a Director on the Board. Such appointment of a Director shall be subject to the provisions of Debenture Trust Deed, Companies Act, 2013, Reserve Bank of India Regulations, SEBI Regulations and all other applicable provisions of law.

This was on account of the notification issued by Securities and Exchange Board of India (SEBI) dated February 02, 2023 (SEBI Notification), which had amended the SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021 by inserting Sub-Regulation (6) in Regulation 23 which mandates an issuer to ensure that its Articles of Association require its Board of Directors to appoint a person nominated by the Debenture Trustee ('DT') upon occurrence of any of the event of default as per regulation 15(1)(e) of the SEBI (Debenture Trustees) Regulations, 1993 ('DT Regulations') as a director on the Board of Directors of the Company. The said proposal by SEBI is to enhance the oversight of the Debenture Trustee over the issuer, thereby improving the governance in the issuer entity.

The certified true copy of the altered AoA is attached herewith for your reference and record.

Provided, however, that as a condition precedent to such Transfer of the Promoter Shares to an Affiliate of the Promoters and/or the Other Founding Shareholder Shares to an Affiliate of the Other Founding Shareholders (as the case maybe) as contemplated in this **Article 2.2.1**, such Affiliate shall execute, and the Promoters and/or the Other Founding Shareholders shall ensure that such Affiliate executes, a Deed of Adherence to the Agreement. It is however clarified for the avoidance of doubt that any transfer of Shares by the Promoters and/or Other Founding Shareholder to their respective Affiliates pursuant to this **Article 2.2.1** shall not relieve the Promoters and/or Other Founding Shareholders of their obligations under the Agreement or any other Transaction Documents or change their roles and responsibilities as Promoters or Other Founding Shareholders or member(s) of Key Management. Provided that, if such Affiliate should subsequently cease to qualify as an Affiliate, then the Promoters and the Other Founding Shareholder (including such Affiliate) shall procure that, prior to its ceasing to qualify as an Affiliate, such Affiliate transfers the entire legal and beneficial interest and title in and to the Shares held by such Affiliate to another Person who is an Affiliate of the Promoter and/or the Other Founding Shareholder and such Person who is an Affiliate complies with the provisions of the Transaction Documents, including by execution of a Deed of Adherence.

2.3 Inter-se Transfer between Promoters and/or the Other Founding Shareholders

- 2.3.1 Each Promoter shall be entitled to Transfer any or all of the Shares held by such Promoter to other Promoters except to Avino, with prior written intimation to each of the Investors of at least 3 (three) Business Days. For the avoidance of doubt, it is clarified that no Promoter shall be entitled to Transfer their Shares to Avino.
- 2.3.2 Notwithstanding anything contained in this **Article 2**, Mr. Sandeep Jawanjal and Sandeep Jawanjal (HUF) shall, at all times, directly hold at least 75% (seventy five percent) of their Shareholding as of the Effective Date, adjusted for any Corporate Event.

2.4 Personal Exigencies and Right of First Offer

- 2.4.1 Notwithstanding anything contained in **Article 2.2** of Part B of these Articles, and subject to the procedure set out in this **Article 2.4**, each Promoter and/or Other Founding Shareholder may, without Investor Consent, Transfer Shares to meet the relevant Promoter's and/or Other Founding Shareholder's (as the case maybe) Personal Exigencies, subject however to all Shares Transferred by all the Promoters and all the Other Founding Shareholders not exceeding: (a) an aggregate value of INR 75,000,000 (Indian Rupees Seventy Five Million only); or (b) 5% (five percent) of the Shares collectively held by the Promoters and the Other Founding Shareholders, as on the Effective Date, whichever is lower ("**Liquidity Shares**").
- 2.4.2 In the event that any of the Promoters and/or Other Founding Shareholders are desirous of Transferring the Liquidity Shares pursuant to **Article 2.4.1** of Part B of these Articles, then the relevant Promoter and/or the Other Founding Shareholder shall first offer such Liquidity Shares exclusively to the Investors by sending a written notice to the Investors ("**Liquidity Shares Offer Notice**"), which shall specify the number of Liquidity Shares proposed to be Transferred and shall call upon the Investors to offer a price per Liquidity Share ("**Liquidity Share Offer Price**") as well as any other terms and conditions, for the purchase of the Liquidity Shares. It is hereby clarified that the Investors will have the right to exercise their right of first offer under this **Article 2.4** and purchase the Liquidity Shares either directly themselves, jointly or severally, or through or together with any of their respective Affiliates.
- 2.4.3 In the event the Investors propose to purchase the Liquidity Shares set out in the Liquidity Shares Offer Notice, then within 15 (fifteen) days of the receipt of the Liquidity Shares Offer Notice, ("**Liquidity Shares Offer Period**"), the Investors shall issue written notice to the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) for the purchase of the Liquidity Shares ("**Liquidity Shares Acceptance Notice**"), setting out (i) the Liquidity Share Offer Price; (ii) the date of the proposed purchase; and (iii) the terms and conditions of the proposed purchase of the Liquidity Shares and share a copy of the Liquidity Shares Acceptance Notice to the other Investors and the Company. In the event, the Liquidity Shares Acceptance Notice is not issued by any of the Investors within the period set out herein, then the Liquidity Shares Offer Notice shall be deemed to have been rejected. The Investors shall purchase all of the Liquidity Shares being offered by the Promoters and/or the Other Founding Shareholders (as the case maybe) In accordance with the Liquidity Shares Acceptance Notice.
- 2.4.4 In the event any of the Investors deliver a Liquidity Shares Acceptance Notice before the expiry of the Liquidity Shares Offer Period, the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) shall have a period of 10 (ten) days following the expiry of the Liquidity Shares Offer Period during which it may issue a notice in writing to the Investor(s), that delivered a Liquidity Shares Acceptance Notice, with a copy to the Company and the other Investors, confirming that the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) shall sell the Liquidity Shares to such Investor at the price set out in the Liquidity Shares Acceptance Notice ("**ROFO Acceptance Notice**"); provided however that, in case more than one Investors delivers a Liquidity Shares Acceptance Notice with an identical Liquidity Shares Offer Price acceptable to the relevant Promoter and/or the Other Founding Shareholders (as the case maybe), each of such Investors shall acquire the Liquidity Shares pro rata to their inter-se Shareholding. Upon issuance of the ROFO Acceptance Notice, the relevant Investor and the Promoter and/or the Other Founding Shareholders (as the case maybe) shall complete the Transfer of the Liquidity Shares within 90 (ninety) days following the date of the ROFO Acceptance Notice.
- 2.4.5 In the event that any of the terms contained in the Liquidity Shares Acceptance Notice are not acceptable to the relevant Promoter and/or the Other Founding Shareholders (as the case maybe), such Promoter and/or the Other Founding Shareholders (as the case maybe) shall provide a written notice to the Investors in writing confirming the rejection of the Liquidity Shares Acceptance Notice within the timeline for response set out under **Article 2.4.4** above ("**Rejection Notice**"). Failure by the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) to respond within such time period shall be treated as a deemed rejection by such Promoter and/or the Other Founding Shareholders (as the case maybe) of the Liquidity Shares Acceptance Notice. Upon issue of the Rejection Notice or deemed rejection as aforesaid, the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) shall have the right to sell the Liquidity Shares to a third party ("**Liquidity Purchaser**"), subject to:
- 2.4.5.1 The sale of the Liquidity Shares being on terms no more favourable as set out in the Liquidity Shares Acceptance Notice and the price at which such sale is proposed to be undertaken being not less than the highest Liquidity Share Offer Price offered by any Investor;
- 2.4.5.2 The Liquidity Purchaser shall not be entitled to any rights in the Company or bound by the obligations set out in the Agreement save for **Article 2.5** (Right of First Refusal) of Part B of these Articles, whereby the term "Promoter" shall refer to mean Liquidity Purchaser for the purpose of **Article 2.5** (Right of First Refusal) of Part B of these Articles; and
- 2.4.5.3 The Liquidity Purchaser executing a Deed of Adherence to the Agreement.
- 2.4.6 If the Investors have rejected (or deemed to have rejected) the Liquidity Shares Offer Notice, then the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) shall have the right to sell the Liquidity Shares to Liquidity Purchaser, subject to **Article 2.4.5** of Part B of these Articles.
- 2.4.7 Any sale of Liquidity Shares by the Promoters and/or the Other Founding Shareholders (as the case maybe) to the Liquidity Purchaser, shall be completed within a period of 90 (ninety) days from the expiry of the Liquidity Shares Offer Period, failing which the restrictions provided in **Article 2.4** of Part B of these Articles shall again apply, and

no Transfer of Shares shall be made by Promoters and/or the Other Founding Shareholders (as the case maybe) thereafter without again making an offer to the Investors in accordance with this **Article 2.4** of Part B of these Articles. For the purpose of computing the said 90 (ninety) day period, any time taken for receipt of necessary regulatory approvals shall be ignored provided such approvals are obtained within a period of 90 (ninety) days from the date of issuance of the Liquidity Shares Offer Notice.

- 2.4.8 The Promoters and the Other Founding Shareholders shall act in good faith to obtain all Consents that may be required for transfer of the Liquidity Shares.

2.5 Right of First Refusal

- 2.5.1 Without prejudice to the obligations of the Promoters or the Other Founding Shareholders under this **Article 2**, in the event that any of the Promoters and/or the Other Founding Shareholders are desirous of Transferring any of the Shares held by them in the Company, the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) shall send a written notice ("**Offer Notice**") to the Investors indicating the total number of Shares that are proposed to be Transferred ("**Offer Shares**"), the name, identity and beneficial ownership of the proposed purchaser of such Shares ("**Purchaser**"), the price per Share at which such Offer Shares are proposed to be sold to the Purchaser, ("**Offer Price**") and the terms and conditions of the proposed Transfer. Upon receipt of the Offer Notice, the Investors shall have the first right to acquire the Offer Shares in accordance with the provisions of this **Article 2.5**. Provided however, that the Investors shall not be entitled to the right of first refusal under this **Article 2.5**, if the Shares are being Transferred by the Promoters and/or the Other Founding Shareholders (as the case maybe) in terms of **Articles 2.2 (Transfer to Affiliates)**, **2.3 (Inter-se Transfer)** or **2.4 (Personal Exigencies)** of Part B of these Articles and such Transfers shall be governed by the relevant Article as set out above.
- 2.5.2 Within a period of 15 (fifteen) Business Days, from the date of receipt of the Offer Notice ("**Offer Period**"), the Investors shall, by written notice, communicate to the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) their intent to purchase the Offer Shares at the Offer Price on the same terms and conditions set out in the Offer Notice ("**Offer Response**"). The Offer Response shall be for all the Offer Shares contained in the Offer Notice. If more than one Investor has issued an Offer Response, each of such Investors shall acquire the Offer Shares pro rata to their inter-se Shareholding on such date.
- 2.5.3 If the Investors have not exercised their rights to acquire the Offer Shares as set out above, the Promoters and/or the Other Founding Shareholders (as the case maybe) shall, subject to **Article 2.6** of Part B of these Articles, be entitled to sell the Offer Shares to the Purchaser, who shall not be a Competitor, subject to the Purchaser signing a Deed of Adherence to the Agreement; provided that the price at which such Offer Shares are sold to the Purchaser shall not be lower than the Offer Price and the terms and conditions of the sale shall be no more favourable than those set out in the Offer Notice.
- 2.5.4 Any sale of Offer Shares by the Promoters and/or the Other Founding Shareholders (as the case maybe) to the Investors and the Purchaser, as the case may be, shall be completed within a period of 90 (ninety) days after the expiry of the Offer Period, failing which the sale shall again be subject to the provisions of this **Article 2**. For the purpose of computing the said 90 (ninety) day period, any time taken for receipt of necessary regulatory approvals shall be ignored provided such approvals are obtained within a period of 90 (ninety) days from the expiry of the Offer Period.
- 2.5.5 The Promoters and the Other Founding Shareholders (as the case maybe) shall act in good faith to obtain all Consents and approvals that may be required for Transfer of the Offer Shares.

2.6 Co-Sale Rights

- 2.6.1 In the event, if any of the Investor does not exercise its right of first refusal as provided in **Article 2.5** of Part B of these Articles above, then such Investor shall be entitled to co-sell their Shares with the Shares of the Promoters and/or the Other Founding Shareholders (as the case maybe) to the Purchaser in the manner set out herein. Provided however, that the Investors shall not be entitled to the co-sale rights under this **Article 2.6**, if the Shares are being Transferred by the Promoters and/or the Other Founding Shareholders (as the case maybe) in terms of **Articles 2.2 (Transfer to Affiliates)**, **2.3 (Inter-se Transfer)**, **2.4 (Personal Exigencies)** or to an Investor under **Article 2.5 (Right of First Refusal)** of Part B of these Articles.
- 2.6.2 Each of the Investors shall have the right (independent of each other) to co-sell such number of Shares as is provided in this **Article 2.6 ("Co-Sale Shares")** by issuing a notice in writing to the Promoters and/or the Other Founding Shareholders (as the case maybe) during the Offer Period, requiring the Promoters and/or the Other Founding Shareholders (as the case maybe) to ensure that the Purchaser shall also purchase the Co-Sale Shares from the Investors at the Offer Price and on the same terms and conditions as are set out in the Offer Notice. Provided however, that the Investors shall not be required to make to the Purchaser any (i) representations, warranties and indemnities with respect to the Company and its Subsidiaries (other than title to the Shares held by the Investors and their respective legal standing); or (ii) any non-competition or similar agreements that would bind the Investors or their respective Affiliates. Any Transfer of Shares to the Purchaser under this **Article 2.6** shall be subject to the Purchaser executing a Deed of Adherence to the Agreement.
- 2.6.3 If the Investors decide to exercise their right to co-sell any Shares, the number of Co-Sale Shares that the Investors shall be entitled to sell on a Fully Diluted Basis shall bear the same proportion to the total number of Shares held by them respectively on a Fully Diluted Basis, which the Offer Shares bear as a percentage to the total Shares held by the Promoters and/or the Other Founding Shareholders (as the case maybe) on a Fully Diluted Basis.
- 2.6.4 Without prejudice to the rights of the Investors under **Article 2.7**, **Article 3.4**, **Article 6** and **Article 9** of Part B of these Articles and notwithstanding anything stated in this **Article 2.6**, the Investors shall be entitled to co-sell all their Shares in the event the Offer Shares proposed to be Transferred by the Promoters and/or the Other Founding

Shareholders equals or exceeds 50% (fifty percent) of the Shares held by them or otherwise results in the change in Control of the Company.

- 2.6.5 In the event the Purchaser is not willing to purchase the Offer Shares along with all the Co Sale Shares, the Promoters and/or the Other Founding Shareholders (as the case maybe) shall ensure that the Offer Shares and Co-Sale Shares being sold to the Purchaser shall be in proportion to the Offer Shares and the Co-Sale Shares originally offered for sale, such that the total number of Shares being sold to the Purchaser does not exceed the number of Shares that the Purchaser is willing to purchase. This provision is illustrated by the following example:

If the Offer Shares being sold by the Promoters and/or the Other Founding Shareholders equal 150 (one hundred fifty) Shares, the Co-Sale Shares of the Investors equal 50 (fifty) Shares, and the Purchaser is only willing to purchase 100 (one hundred) Shares, the Offer Shares and the Co-Sale Shares to be sold to the Purchaser by the Promoters and/or the Other Founding Shareholders and the Investors shall be in the ratio of Offer Shares and the Co-Sale Shares, such that the Purchaser purchases 100 (one hundred) Shares from the Investors and the Promoters and/or the Other Founding Shareholders (as the case maybe).

It is however clarified for the avoidance of doubt, where the Investors elect to co-sell all their Shares pursuant to **Article 2.6.4** of Part B of these Articles above, the Promoters and/or the Other Founding Shareholders (as the case maybe) shall ensure that the Purchaser simultaneously acquires all the Co-Sale Shares and any Offer Shares.

- 2.6.6 In the event the Purchaser is not willing to purchase all of the Co-Sale Shares in terms of either **Articles 2.6.3, 2.6.4** or **2.6.5** of Part B of these Articles above, the Parties agree that the Promoters and/ or the Other Founding Shareholders (as the case maybe) shall not be able to sell its Shares to such Purchaser and any such sale shall again be subject to the provisions of **Articles 2.5** and **2.6** of Part B of these Articles.

- 2.6.7 In the event that:

2.6.7.1 the Investors do not exercise the co-sale right within the Offer Period, the Promoters and/ or the Other Founding Shareholders (as the case maybe) shall be free to sell the Offer Shares to the Purchaser, provided that: (i) the sale price shall not be lower than the Offer Price and the terms and conditions of the sale shall be no more favourable than those in the Offer Notice; and (ii) the Purchaser shall execute a Deed of Adherence to the Agreement; or

2.6.7.2 the Investors exercise the co-sale right within the Offer Period to sell their Co Sale Shares in terms of this **Article 2.6**, the sale of the Offer Shares by the Promoters and/or the Other Founding Shareholders (as the case maybe) to the Purchaser would be subject to the Purchaser executing a Deed of Adherence to the Agreement. Notwithstanding anything contained in **Article 2.5** of Part B of these Articles and this **Article 2.6**, if the Investors elect to exercise their co-sale right, the Promoters and/or the Other Founding Shareholders shall not be entitled to Transfer their Shares to the Purchaser, if on exercise of the co-sale right by the Investors in terms of this **Article 2.6**, the Investors do not receive at least the Liquidity Preference Amount; provided however that in the event that the Investors do not receive the entire Liquidity Preference Amount from the Purchaser on the Transfer of their Co-Sale Shares, the Promoters and/or the Other Founding Shareholders shall, simultaneously with the receipt of any payment from the Purchaser for their Offer Shares, ensure that the Investors receive at least the Liquidity Preference Amount by one or more of the following methods at the option of the Investors

(a) transfer of such number of Shares by the Promoters and/or the Other Founding Shareholders to the Investors; and/or

(b) cash payment to the Investors by the Promoters and/or the Other Founding Shareholders.

It is further clarified for the avoidance of doubt that, (a) if the Investors do not receive the Liquidity Preference Amount in accordance with this **Article 2.6.7.2**, the Promoters and/or the Other Founding Shareholders (as the case maybe) shall not be entitled to transfer any of their Shares to the Purchaser unless the Investors receive at least the Liquidity Preference Amount with respect to the Co-Sale Shares; and (b) the aggregate liability of the Promoters and the Other Founding Shareholders under **Article 2.6.7.2(b)** of Part B of these Articles above shall not exceed the aggregate value of all the Shares held by the Promoters and the Other Founding Shareholders in the Company. In the event, the Promoters and/or the Other Founding Shareholders Transfer any Shares after the Effective Date to their respective Affiliates pursuant to the terms of the Agreement and these Articles, the Shares so Transferred after the Effective Date shall be included in computing the value of the total Shareholding of the Promoters and/or the Other Founding Shareholders under **Article 2.6.7.2(b)** of Part B of these Articles.

- 2.6.8 The sale of the Offer Shares along with the Co-Sale Shares, if any, to the Purchaser shall be completed within a period of 60 (sixty) days from the expiry of the Offer Period. The Promoters and/ or the Other Founding Shareholders (as the case maybe) shall co-operate in good faith to obtain all Consents and approvals that may be required for transfer of the Co-Sale Shares, including Consents from the lenders, if required. In the event of a failure to so consummate the sale within the stipulated 60 (sixty) days period, the sale shall again be subject to the provisions of **Articles 2.5** and **2.6** of Part B of these Articles. For the purpose of computing the said 60 (sixty) day period, any time taken for receipt of necessary regulatory approvals shall be ignored provided such approvals are obtained within a period of 60 (sixty) days from the date of the Offer Period. The time period of 60 (sixty) days as set out in this **Article 2.6.8**, may be extended by mutual agreement between the Investors and the Promoters.

- 2.6.9 It is hereby further clarified that, in the event of change in Control of Company pursuant to a third party ("**Proposed Investor**") proposing to acquire any Shares of the Company including through a primary investment into the Company or the secondary sale of Shares of the Company, or both ("**Primary Issue**"), irrespective of Promoters and/or

Other Founding Shareholders not participating in such change in Control of Company, the Investors shall have a right to sell all the Shares held by them at such time to the Proposed Investor in accordance with this **Article 2.6.9**, as set out below:

- (a) The Company shall provide a written notice to the Investors indicating the following (i) amount of capital proposed to be raised by the Company; (ii) the terms of issuance; (iii) the identity of and the price per Share payable by the Proposed Investor proposing to subscribe to the Primary Issue ("**Primary Issue Acquisition Price**") and payment mechanism; (iv) the indicative timeframe within which such Primary Issue will be completed; and (v) any other material term of the Primary Issue (the "**Primary Issue Intimation**"). Within 30 (thirty) days of the receipt of the Primary Issue Intimation (the "**Primary Issue Decision Period**"), the Investors may, by a written notice to the Company and the Promoters, communicate their willingness to participate in the Primary Issue by way of sale of all of the Investor Securities (the "**Primary Issue Acquisition Securities**") held by the Investors or their Affiliate, to the Proposed Investor(s) (the "**Primary Issue Participation Notice**").
 - (b) If the Company receives a Primary Issue Participation Notice from the Investors, the Company can undertake the Primary Issue only after, or simultaneously with, the completion of the sale of the Primary Issue Acquisition Securities.
 - (c) The Investors and/or their Affiliates, as the case may be, shall provide representations or indemnities only in relation to the title of the Investor Shares, and the Promoters, the Other Founding Shareholders and the Company shall provide (if required) representations, indemnities, covenants or undertakings with respect to the Business. The Company, the Other Founding Shareholders and the Promoters shall provide all necessary Transaction Assistance to the Proposed Investor and the Investors in connection with the Primary Issue.
 - (d) Within 30 (thirty) days from the receipt of the Primary Issue Participation Notice or such extended period, as may be required, due to any approval pending from the Governmental Authority, the Company shall, and the Promoters and the Other Founding Shareholders shall ensure consummation of the acquisition of Primary Issue Acquisition Securities by the Primary Investor(s) on the same terms as mentioned in the Primary Issue Participation Notice including the Primary Issue Acquisition Price.
 - (e) If the Investors do not provide the Primary Issue Participation Notice within the time period specified above, then the Company may, subject to the rights of Investors set forth in the Agreement, proceed with the issuance of Securities to the Proposed Investor(s) at Primary Issue Acquisition Price and within the period specified in the Primary Issue Intimation for completing the Primary Issue, failing which, the Company shall have to once again follow the process set out in this **Article 2.6.9**.
 - (f) Notwithstanding anything contained in this **Article 2.6.9**, if the Proposed Investor does not purchase all of the Primary Issue Acquisition Securities set out in the Primary Issue Participation Notice, then the Company shall not be entitled to undertake the Primary Issue without Investor Consent. It is hereby clarified that any Primary Issue by the Company shall be subject to the receipt of Investor Consent.
 - (g) The provisions of this **Article 2.6.9** of Part B of these Articles shall apply with respect to every Primary Issue proposed to be undertaken by the Company at any time which leads to the change in Control of the Company until the Investors and their Affiliates (if applicable) are provided full tag along right from the Company in terms of this **Article 2.6.9** of Part B of these Articles.
 - (h) Notwithstanding anything contained in this **Article 2.6.9** of Part B of these Articles, the Investors shall be entitled to anti-dilution rights under **Article 3.1** of Part B of these Articles for any Primary Issue by the Company.
- 2.6.10 It is hereby further clarified that if the change in Control is effected by exercising a combination of Primary Issue by the Company and the secondary sale of Shares, then the transaction leading to such change in Control shall not be undertaken unless the prospective acquirer acquires all the Investor Securities from the relevant Investor(s) exercising their right under this **Article 2.6** of Part B of these Articles at a price per Share which is higher of: (i) Primary Issue Acquisition Price; or (ii) the Offer Price at which the secondary sale of Shares is proposed to be undertaken.

2.7 Transfer of Investors' Shares

- 2.7.1 The Investors shall have the right to Transfer all or part of their Shares to any Person subject to provisions of this **Article 2.7**, and the Company, the Other Founding Shareholders and the Promoters shall provide Transaction Assistance to the prospective third party buyer of the Shares held by the Investors. Provided however, that except with the prior written consent of the Promoters, the Investors shall not Transfer their Shares to a Competitor prior to the expiry of 54 (fifty four) months from the Closing Date, other than any Transfer of Shares by the Investors to a Competitor pursuant to **Article 9.3.2** of Part B of these Articles. The Company, the Other Founding Shareholders and the Promoters shall also provide necessary representations and warranties and indemnities pertaining to the Company and its Subsidiaries (other than title to the Shares held by the Investors and their respective legal standing) to such third party acquirer. It is hereby clarified that the Investors shall not be required to make any (i) representations, warranties and indemnities with respect to the Company and its Subsidiaries (other than title to the Shares held by the Investors and their legal standing); or (ii) any non-competition or similar agreements that would bind the Investors or their respective Affiliates. The representations, warranties and indemnities provided by the Company, Other Founding Shareholders and the Promoters to such third party acquirer shall be no less favourable than those provided to the Investors under the Transaction Documents.
- 2.7.2 In the event the Investors are desirous of Transferring any of their Shares to any Affiliate of the Investors, such Affiliate shall execute a Deed of Adherence to the Agreement. It is clarified that the rights acquired by an Affiliate of the Investors shall be exercised by the Investor and the Affiliate under the Agreement and these Articles collectively acting as a single block of Shareholders.

- 2.7.3 In the event, any of the Investors are desirous of Transferring more than 5% (five percent) of the Share Capital, the transferee of such transferring Investors shall acquire all the rights of the transferring Investors under the Agreement and these Articles by signing a Deed of Adherence to the Agreement. Notwithstanding the foregoing, it is hereby clarified that the Investors shall continue to exercise the rights available to them under the Transaction Documents, at their sole discretion, until the expiry of the Special Rights Period.
- 2.7.4 Subject to the provisions of **Article 13** of Part B of these Articles, in the event, any of the Investors are desirous of Transferring less than 5% (five percent) of the Share Capital, save and except the following rights, the transferee shall not acquire any rights of the Investors under the Agreement and these Articles.
- 2.7.4.1 **Article 2.5 (Right of First Refusal)** of Part B of these Articles;
- 2.7.4.2 **Article 2.6 (Co-Sale Rights)** of Part B of these Articles;
- 2.7.4.3 **Article 2.7 (Transfer of Investors' Shares)** of Part B of these Articles;
- 2.7.4.4 **Article 3.1 (Anti-dilution rights)** of Part B of these Articles;
- 2.7.4.5 **Article 3.2 (Pre-Emptive Rights)** of Part B of these Articles;
- 2.7.4.6 **Article 3.3 (Information Rights)** of Part B of these Articles; and
- 2.7.4.7 **Article 3.4 (Liquidity Preference)** of Part B of these Articles.
- 2.7.5 In the event, any of the Investors are desirous of Transferring 5% (five percent) or more of the Share Capital and the relevant Investor (i.e. Existing Investors or New Investor) continue to hold at least 5% (five percent) after such Transfer, both the transferee and the transferring Investors shall be entitled to similar rights and privileges (exercisable individually) under the Agreement and these Articles by signing a Deed of Adherence to the Agreement. Provided that such transferee and the transferring Investors shall collectively be entitled to appoint only such number of Directors as the transferring Investors are entitled to appoint under the terms of the Transaction Documents (i.e. prior to the date of the Transfer); and provided further that the transferee shall be entitled to independently exercise its voting rights under the Agreement and these Articles including with respect to the Fundamental Issues, except only if such transferee is an Affiliate of the Investors that is not a limited partner of the Investor or any entity not directly or indirectly under the Control or ownership of a limited partner of the Investors (the "**Non-LP Affiliate**"), in which event, such Non-LP Affiliate and the Investors shall vote on Fundamental Issues as a single block of Shareholders.
- 2.7.6 It is however clarified for the avoidance of doubt, that in the event the shareholding of the any of the Investors and their respective Affiliates cumulatively falls below 5% (five percent) of the Share Capital, the rights of the transferring Investors and the transferee remaining under the Agreement and these Articles will be as per **Article 13** of Part B of these Articles.

3. OTHER RIGHTS OF THE INVESTORS

- 3.1 Anti-dilution rights. Notwithstanding anything contained in the Transaction Documents, the Investors shall have the following anti-dilution rights:
- 3.1.1 The Investors shall be protected against any dilution of their Shareholding in the event of a Corporate Event, any distribution in cash or kind by the Company or any other events of a similar nature.

Such sale of Equity Shares shall be completed prior to the issuance of the Dilution Instrument.
- It is clarified for the avoidance of doubt that the non-subscription or non participation to the Dilution Instrument by the Investors in terms of **Article 3.1 (Anti-dilution rights)** of Part B of these Articles, shall in no way prejudice the right available to the Investors under this **Article 3.1 (Anti dilution rights)**.
- 3.1.3 In addition to **Articles 3.1.2** of Part B of these Articles above, the Investors shall also be entitled to all pre emptive rights provided for in **Article 3.2 (Pre-emptive rights)** of Part B of these Articles. 3.2 **Pre-emptive Rights.**

- 3.2.1 Save and except in case of an Exempted Issuance, the Investors (without prejudice to rights of the Investors in **Article 3.1** of Part B of these Articles) and the Promoters shall be entitled to a pre-emptive right to purchase such proportion of Shares or any rights, options, warrants, debentures, securities, appreciation rights or instruments entitling the holder to receive, subscribe, convert into and/or exchange for Shares ("**Further Shares**") offered by the Company to any other Person, on the same price, terms and conditions as the Company proposes to offer such Further Shares to such other Persons, as would enable each of the Investors and Promoters to maintain their proportion of Shareholding on a Fully Diluted Basis. The Investors shall also be entitled to subscribe to Further Shares not subscribed to by such other Persons (including the Promoters) either by themselves or their respective Affiliates.
